

“
Teens2Queens is an Erasmus+ initiative, that gives young migrant women a voice, tools and confidence to rise up, speak out, and take control of their future.
”

ABOUT THE PROJECT

Young women with migration background often deal with stereotypes and stigmatisation.

To chase their dreams and grow into confident adults in Europe, they need to **empower** themselves and **overcome** these barriers.

3 KEY COMPETENCES

The project aims to support these young women through the development of:

**PERSONAL,
CIVIC &
ENTREPRENEURIAL
competences**

Launched in **March 2025**, Teens2Queens is a 24-month European project led by a consortium of **6 partners** from **France, Austria, Italy, Sweden** and **Romania**: Cap Ulysse, Auxilium, ZEBRA, CO&SO, IGITEGO, and Simplon Romania.

MAIN TARGET GROUP

Young female migrants aged 15 to 20 who have been living in Europe for some time and have at least a basic knowledge of the local language.

Funded by the European Union. However, the views and opinions expressed are solely those of the author(s) and do not necessarily reflect those of the European Union or OeAD-GmbH. Neither the European Union nor OeAD-GmbH can be held responsible for them. (Project n°2024-2-AT01-KA220-YOU-000280966)

OTHER STAKEHOLDERS

Educators and social workers upskilled to provide culturally sensitive support and guidance.

Public and private organisations that finance, coordinate, and manage migrant integration initiatives.

Local, national, and EU-level policy makers and experts who shape and fund integration and inclusion programmes.

? Which actions are taken and what results do they bring?

- ✓ Development of **Competence Gap Detector**: a tool combining online questionnaires and interviews to identify skill gaps in personal, civic, and entrepreneurial competences.
- ✓ **Training of 30 educators and social workers** to support young women with migrant background.
- ✓ Migrant girls learning groups develop and manage **micro projects** on integration and present the results to policy-makers in Brussels
- ✓ Design of a 75h training programme with **15 e-learning modules** based on the **3 key competences**.
- ✓ Production and publication of a **Policy Paper** with key findings & recommendations.
